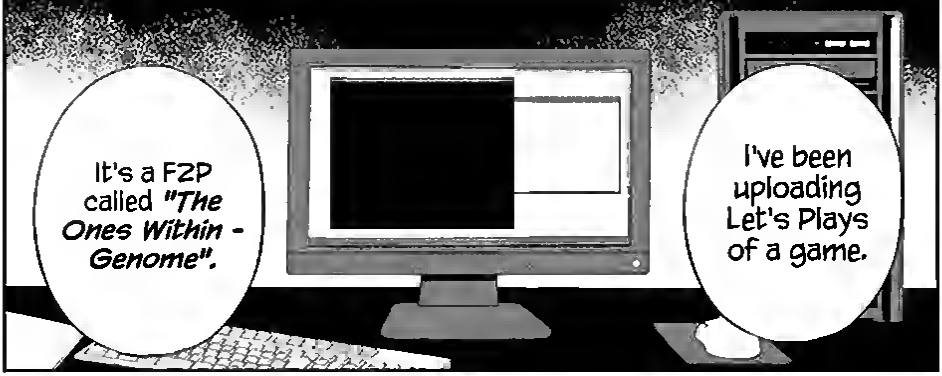
Right: Continued Repeat Disappearances
Over 50 people missing

Like, he has no enemies since he can get friendly with anyone!
And that guy's slick like *oil* in class!
He's a peaceful idiot who even befriended a burglar that broke into his house and then reformed him!
He's the kinda guy who draws peaceful stuff on artwork!
Isn't that Akatsuki, though?
He's nowhere close to the type to ditch home or commit suicide!
He was even popular in online gaming!
"Online"?



Congratulations!

We are offering you, a charismatic uploader that we've chosen, the privilege to play in the closed beta of "The Ones Within - Genome".

Famous uploaders have been frequently disappearing just before clearing the game

As a result, it's being called a "Disappearance Game" on the Internet.

Furthermore, this privilege cannot be rejected or transferred. We look forward to meeting you.

I've heard rumours of 'em, but I thought they were some urban legend or something...
Oohh!! A hidden stage!
Wow!
They really exist!
.....
Urf-
...
Ah-
ズズ...
This is bad.
I'm out of tissues.
Maybe I'll continue next time.
"Let's Play The Ones Within - Genome Part 89", where I won't struggle with my allergies anymore!
Thanks for watching~

Hehe-heh~
Perhaps it's a blessing from this popular game.
My beloved thanks!
My viewers have greatly increased, huh?
I'll leave the editing and encoding for tomorrow...

Hey-

...
Ен?

Oh...
So I'm having a dream about nature today, huh?
...It's nice...
I'd like to live in a place like this once I'm old.
Hey...

If you find an unconscious person.
Err...
.....
First, call out to them.
Miss.
Miss!
Miss!?
Then, check their breath and pulse.
I'll check your carotid artery then. Excuse me.
Ah-

That's a relie-
Wh- What're you-
Are you a perv !?
I'm... definitely not a sush- pishcious guy...
You definitely are! No matter how you look at it!
W-
Woah-
My name is Iride Akatsuki.

Where the heck are we!?
I'd like to know too.
Hey!
Wait up!
Don't ask me.
Isn't this weird!?
Why were we gathered and tossed on a mountain!?
... And ...

why am I in a uniform ...
I could've sworn I went to sleep in my pajamas last night...
...I don't recall getting changed after waking up.
.....
Hm, same here.
...But say...
It all makes sense
if you're a deceitful kidnapper and perverted mountaineer who likes dress-up!
...Urg...
Please stop. You're being drawn into your assumptions.

But you look suspicious!
Feeling people up as soon as you meet them... Nosebleeding...
...Your Honour,
in regards to the nose-bleeding, I object.
Over-ruled.
That voice...
?
Where have I heard it before?
Your voice.
I'm pretty confident in my memory!
Usually I never forget anything I've heard...

Eh..?
If you tell me, even I...
Where have I heard it befor-
That stingy voice and tsun-tsun attitude...
Hah!
Let's hurry and find a phone or the cops!
See here, I'm the secretary of the Film Studies Club!
No!
WHAT THE HECK DO YOU MAKE RECORDS OF THAT'S SO SCARY
ARE YOU THE CAPTAIN OF THE KARATE CLUB OR SOMETHING ?
.....

If we don't head down while it's still light out....
Good grief!
There hasn't been a single decent thing since yesterday!
St- Stop it...
...It would be terrible if a bear were to appear.
"We look forward to meeting you."
It couldn't possibly be this, could it..?
What did you say just now-

Shh-
They haven't noticed us yet
They'll pass us like this.

...We're helpless if they find us.
...What? Are you picking a fight with me?
No-
I'm about to sneeze
Wah!?
Ah-
Ahh-
Why are you facing me!?
Stop! You've gotta be kiddin-

Idiot!
Hold it in for a bit!
Sorry-
I'm not trying to boast, but...
I practically have all of Japan's pollen allergies-
That's really nothing to be proud of!

IS... IS THAT A RAT..?
It's pretty big.
I wonder what it's been eating?

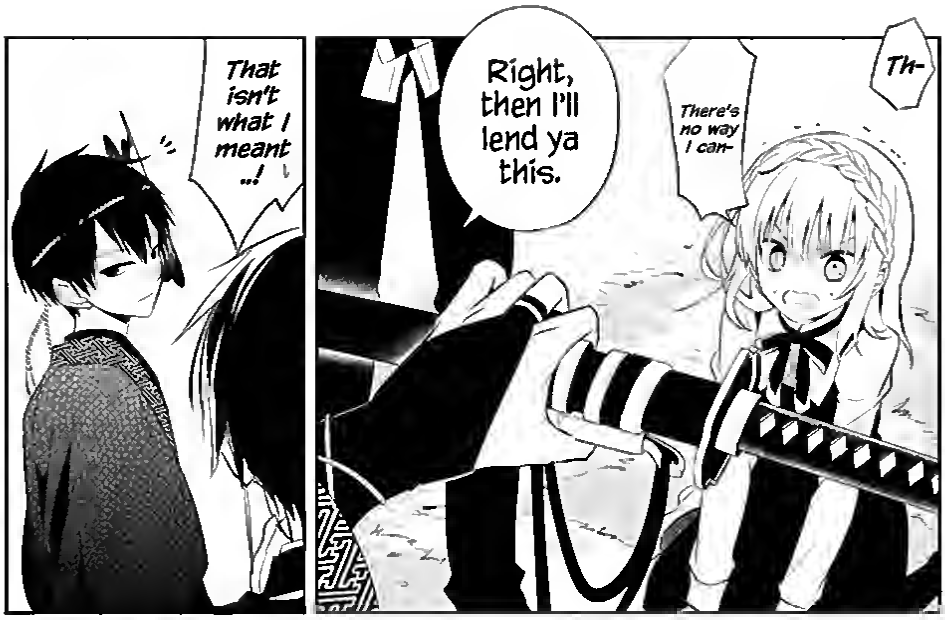
Eek-

It's fine, at least the snails are definitely herbivores ...
Whatever! What about...
the panda then !?

Hey, you bunch.
What're you guys looking dumb-founded for?

Quickly crush their eyes!
...Eh..?
Just Their eyes!
gouge them or smash them!
These guys are surprisingly easy to defeat!



That isn't what I meant ...!
Right, then I'll lend ya this.
There's no way I can-
Th-

You do your best unarmed.

Ah-
Wait ..!!
Well then-
Wh-
What's up with him..?
This is absurd!
Fighting against that...

Any-how,
We need to hurry and leave this
place ..!?
A sock ..?

Wh-
What the heck do you think you're doing!!?
Hey, stop!
You're shaking it! I'm going to fall!!
Fall then!!
I'll pulverize you, starting with your nose!
What were you expecting to escape on your own!?
You've got it wrong...

Just to be safe, please hide.
And be careful so you aren't crushed.
What are you going to do..!?
Well...
Something.

This perverted mountaineer's getting hyped!
This is a pretty picturesque view...
Oh-
A full-blown idiot.
H-He's an idiot.
Yoohoo!!
Why hello there.

クーン クーン

What the heck are you doing!?
Paw please. Sorry.
Honestly, what the heck are you doing!!?

Your face is huge, isn't it?
Hey!

Well I just wanted to feel a panda for once.
Particularly, their paws.
Ahh...
It's okay!
This buddy was just taking a stroll!
No it isn't!
It's soothing ...
While we were running,
they weren't looking at us at all.
Actually, its eyes ...
... Eh?

It had no intention of attacking us from the get-go.
The path it was taking and the course we were running just coincidentally overlapped.
Right, Pan-tarou?

The nickname Akatsuki gives is a merge between the 'pan' in 'panda' and 'tarou' a popular Japanese name suffix.

Idiot!
Hurry and get away!!!

...How nasty...
...You have allergies too, huh?

You sure did it, didn't 'cha?
That situation showed me quite a lot.
It was because you kept saying "eyes, the eyes".
It was all thanks to that.
And, there's quite a few things you can do before spilling blood.
.....
Ehh~

So,
I suppose you'll stand up now?
Just a bit more ...

...That said,
this is odd.
Why are they so calm..?

キャあああ
Wah...
Stay away!
I'll chop you into sashimi!!
Th-
That's right! As long as you under-stand!
Well, you're a snail, so the more I look, the cuter-
